THE YEAR IN REVIEW

We had an excellent reunion last summer although attendance was far too low: 13 cousins in attendance. We again combined forces with the Botsford Family Historical Association. We have done this for the last several years and it has served both Associations well. We plan to continue this setup for the foreseeable future.

Next summer, by request, we will hold another Founding Families Day as we did in 2014 for Milford's 375th Anniversary. This will be Friday through Sunday, 19 - 21 July. Plans are not yet firmed up, but the general outline will be much the same as in previous celebrations. We have requested that the First Church host us on Friday evening for an opening reception. On Saturday morning we will gather at the Community Room of the Milford Public Library. We will have a program/speaker of some kind and attendees will have the option of research in the History and Genealogy Room of the Library, visit the old section
